

## **Farewell Words to Nickelwa Konzapi**

**Today we lighten a candle in memory of our colleague Nickelwa Maureen Konzapi at the URCSA Cape Office in Belhar, who passed on at the early hours of 6 August 2019**

Everything has its time as in Ecclesiastes 3 – Everything on earth has its own time and its own season – There is a time for birth and death... and your time came too soon, but we must accept and honour in remembrance.

It was a great pleasure working with her as a colleague. She had a beautiful smile, that shows her friendliness, and was the best candidate, at that time, as the face of the office. We shared pleasant moments, but also sad moments which includes the departure of Rev Nyatyowa and Rev Thyse, our fathers here in the office. We also shared the year end functions when we danced and sang along, all night long. Her beautiful soprano voice will be missed on Monday morning's devotions. We felt close to her like a family member, as the Bible says in 1 Cor.12:26 - If one part of our body hurts, we hurt all over. If one part of our body is honoured, the whole body will be happy.

Nikelwa may your soul rest in peace, till we meet again. God will take good care of your son, your mother, sisters, brother and the extended family.

We will miss you!

Rest in peace dear Nickelwa!
